

CARPARK

There are 263 car park slots available in the public car park area and another 92 slots allocated for tenants and dedicated parking for stakeholders.

The public car park allows for parking on hourly, daily, weekly and monthly basis for public having long term parking requirements. An annual and bi-annual rate is also offered for the more frequent users where a swipe card is issued for unlimited usage within that period.

There is a charge applicable for lost tickets and swipe cards.
